

SERVICE UPDATE NOTICE

MAKITA G1100 GENERATORS

Makita is offering to upgrade fuel systems on older G1100 generators at no charge. The upgrade includes a new fuel tank, mounting bracket and labor. This offer applies to generators built between September 2003 and February 2009. Specific serial numbers are listed below - generators with serial numbers not listed are not eligible.

4000001 - 4000376	7000001 - 7002206
4010001 - 4015102	9000001 - 9000487

Generators with a red dot on the inside of the tank cap cover have been updated.

**Contact Makita for information regarding
the free service update of your generator.**
